

FAMILY PHYSICIANS

**Department of Medicine
Saint John,
New Brunswick**

Department of Family Medicine, Saint John, is actively seeking Family Physicians to establish a new practice or take over an existing one. Opportunities exist in both rural and urban settings, either solo or group practice, in a fee for service or salaried environment.

Physicians participate in variety of different settings - community-based and/or in-hospital care, palliative care, geriatrics, obstetrics, etc.

Saint John Regional Hospital is a 550-bed tertiary care teaching centre, with an active Family

Medicine teaching program affiliated with Dalhousie University and a newly established undergraduate program through Dalhousie.

Canadian College of Family Physicians certification preferred, but consideration will be given to other North American qualifications and training. Candidates must be eligible for licensure with the College of Physicians and Surgeons of New Brunswick.
